Surface Management Bond

RECEIVED

NOV 0 8 2007

DIV. OF OIL, GAS & MINING

Replacement Bond Security Required

Effective November 14, 2003, this office accepted a \$6,800 Irrevocable Letter of Credit (LOC) No. ZSB800903 to secure a personal plan surface management bond filed by the above obligor. The acceptance decision stated, the LOC will continue indefinitely in the absence of a notice from the financial institution of its determination not to renew the letter. Such a notice must be received in this office at least 90 days prior to the original expiration date or the automatic extension dates falling on the same day in subsequent years.

On October 16, 2007, we received a notification from the financial institution named above that it has elected not to renew Letter of Credit No. ZSB800903.

Therefore, you are hereby requested to provide a replacement security in the amount of \$6,800 at least 30 days prior to the letter of credit's expiration date of January 15, 2008.

In accordance with regulations at 43 CFR 3809, if a replacement security is not received in this office on or before December 17, 2007, this office will demand that the financial institution named above pay the full amount of Letter of Credit No. ZSB800903 to insure continuing coverage of the obligor named above. Such funds will be retained in our suspense account, with no interest accruing to the obligor, until the bond coverage is no longer required or until the obligor furnishes another replacement security.

If you have any questions, please call Opie Abeyta at (801) 539-4123.
